Scientific and practical conference

«Nature Management and Environmental Risks»

FIRST ANNOUNCEMENT

June 5, 2019
Minsk, Republic of Belarus

By Presidential Decree No.157 dated March 26, 1998, June 5 was declared the Day of Environmental Protection in the Republic of Belarus. World Environment Day is annually celebrated on the same date as established by the UN General Assembly in 1972.

World Environment Day (WED) the United Nation's principal vehicle for encouraging awareness and action for the protection of our environment.

Global issues such as sustainable use of natural resources, environmental improvement are becoming increasingly important every year. It is the common mission of mankind to conserve nature, pure air and natural resources for future generations. All over the world, scientists are working on these and other environmental concerns.

Day of Environmental Protection in the Republic of Belarus and World Environment Day inspired the scientific and practical conference "Nature Management and Environmental Risks" which is jointly organized by the Ministry of Natural Resources and Environmental Protection of the Republic of Belarus, Ministry of Education of the Republic of Belarus, National Academy of Sciences of Belarus, Belarusian State Technological University, RUE "Central Research Institute for Complex Use of Water Resources" (CRICUWR), RUE "BelRC "Ecology"", SRI "Institute of Nature Management of Belarus NAS", International Sakharov Environmental Institute of Belarusian State University. The conference will be hosted by Belarusian State Technological University on June 5, 2019.

The conference is aimed at bringing together scientists, experts and environmentalists of Poland, Lithuania, Russia, Ukraine, Latvia, Estonia, Norway, Sweden. It will serve as a broad discussion platform for building new partnerships and sharing views on academic and research cooperation within round-table discussions.

Conference languages: Russian, English

Scope of the Conference (sessions):

- nature management and environmental risks, environmental economics;
- sustainable nature management and environmental protection;
- information technology for nature management;
- waste treatment;
- green technology and equipment;

- international and regional cooperation in the field of nature management and environmental protection;
- sustainable forest management, national parks and reserves;
- water problems and their solutions;
- climate change;
- ecological farming and environmentally friendly food products.

Forms of participation:

- plenary session presentation (max. 20 min.);
- session presentation (max. 15 min.);
- absentia participation;
- poster report;
- exhibition of recent developments (exhibition areas will be provided by the organizer).

SUBMISSION GUIDELINES AND REVIEW PROCESS

Participants are kindly requested to register for the Conference through the online application form available at the Conference website **by May 15, 2019**. Paper/ presentation as a .doc file must be attached to the application form (the file name is the author's name in Latin characters-session number, e.g., IvanovAN-3).

The application form and the papers may be submitted to the Conference Organizing Committee by e-mail or regular mail.

The Organizing Committee will create the draft conference programme based on the accepted papers. The participants will be informed about the acceptance decisions, the draft conference programme, payment details **no later than May 20, 2019**.

Authors are held solely responsible for the content of their papers. Papers which do not match the scope of the Conference, do not meet the submission guidelines or submission deadlines will not be accepted. The Organizing Committee reserves the right to select plenary and session presentations. The final conference programme will be published on the Conference website **by May 25, 2019**.

PUBLICATIONS

Conference papers/presentations will be published as Conference Proceedings. The papers/presentations selected for publication by the Organizing Committee will be published as author's edition. All papers/presentations must be either in Russian or in English.

Guidelines for submission of papers/presentations

Papers shall be maximum 6 pages, including references. Electronic version shall be prepared in Microsoft Word (font Times New Roman); title of paper – font size 12, bold, capital letters; name(s) of author(s) – font size 12, normal; name of organization – font size 11, normal; text – font size 12, normal; paragraph – 10.0 mm; single spacing; all margins 2.0 cm; there are no special requirements for tables; the number of references shall not exceed five; pages are not numbered; figures and graphs shall be editable.

There will be no editorial revision of the text. All papers/presentations will be published as author's edition.

The Organizing Committee will appreciate if you kindly disseminate this Call for Papers among your colleagues and partners.

The Conference invitation letter will be either faxed or e-mailed.

Conference Programme will be available at <http://www.belstu.by>
<http://www.minpriroda.gov.by>
<http://www.cricuwr.by>

REGISTRATION FEE

The registration fee covers organizational costs, publication of conference proceedings, conference kit (except for absentia participation). Costs of travel, accommodation and meals are covered by conference participants.

The registration fee is **20 BYN (for participants from Belarus), 1000 RUB, 15 EUR or 18 USD (for international participants)** for one paper/presentation.

The registration is to be paid to BSTU account via bank transfer or upon arrival at the Conference **on June 5, 2019**. Conference participants are kindly requested to make their hotel booking themselves.
